NOTE: On all new applications for any classification of license the applicant shall estimate the anticipated gross volume of work within the State of Arizona for the remainder of the present fiscal year and shall be governed by the bond requirements hereinabove set forth as they apply to the particular classification of license. The filing of a bond or deposit in a specified amount shall be deemed to be the equivalent of submitting a volume estimate within the dollar limitations applicable for such bond amount.

NOTE: Any existing license under Suspension for lack of bond will not be renewed, nor will a new license application be accepted unless the original, signed bond, approvable by the R.O.C., is submitted with the application.
